### Nyd Afternoon Tea i historiske rammer

Hvis du leder efter en helt særlig oplevelse, mens du er i København, så besøg os i Dronning Louises Tehus. Tehuset ligger i en enestående rosenhave, der danner en smuk ramme for en Afternoon Tea oplevelse.

Tehuset og rosenhaven er beliggende i Bernstorffsparken i Gentofte, nord for København. Der er let adgang med offentlig transport og bil.

Den smukke rosenhave blev oprindelig anlagt af Dronning Louise, hustru til Christian IX, i slutningen af 1800-tallet, og i dag ser den stadig ud på præcis samme måde.

Vi serverer Afternoon Tea med bobler, te, sandwich, scones og kager i rosenhaven eller indenfor i det smukke stråttækte hus.

Gennem året tilbyder vi forskellige oplevelser og events, som fx yoga og historiske rundvisninger.

### Enjoy Afternoon Tea in historic setting

If you are looking for an experience out of the ordinary while in Copenhagen, you should visit us at Dronning Louises Tehus (Queen Louise's Tea House). The tea house is located in a stunning rose garden which creates a beautiful setting for an Afternoon Tea.

The tea house and rose garden are located in Bernstorffsparken in Gentofte, north of Copenhagen, easily accessible by public transportation or by car.

The beautiful rose garden was originally created by Queen Louise, wife of Christian IX, in the later part of the 19th century, and today it still looks exactly the same.

We serve tea, sandwiches, scones and cakes in the rose garden or inside the beautiful thatched house.

During the year we offer various experiences and events e.g. yoga classes and historical tours.
